

Danny McGuire

Offline Editor - AVID, FCP & PREMIERE

07814017470

dannymcguire@mac.com

An assured, creative and fast editor with work spanning natural history, specialist factual, adventure, documentary, music performance, short films and art projects. This diverse combination has honed my pace and rhythm; creativity and style as well as my ability to deliver on a challenging brief. An intuitive command of narrative structure combined with hard earned experience make me a first rate visual storyteller, team player and excellent addition to any project.
